

WM SERIES

Wall-Mounted Mains-Connected Water Coolers

Mounted on the wall and designed specifically for small spaces or restricted floor space, the WM Series is ideal for easy access by people in wheelchairs or for children.

KEY FEATURES

- 19 Litres Per Hour
- Industrial grade tank and robust construction
- Polished stainless steel top
- Front panel removes for ease of servicing
- Adjustable, tamper proof non-squirt bubbler and glass filler

The WM Series is designed with an easily removable front panel that gives instant access to all components and controls. Hassle-free filter changes and services can be undertaken without disconnecting the plumbing.

With fingerprint-proof coating on powder coated options, this robust water dispenser fits marvellously at worksites.

Aqua Cooler products are manufactured from the highest quality components supplied from the industry's leading suppliers and designed to run efficiently with low maintenance.
